

Employee Onboarding Guide

Welcome to the company. This document covers the basics every new intern needs to know during their first week.

Work Hours

Standard working hours are 9:30 AM to 6:30 PM, Monday through Friday. Interns are expected to log their daily hours in the internal timesheet portal.

Laptop and Equipment

All interns are issued a company laptop, ID badge, and VPN credentials on day one. IT support can be reached via the #it-helpdesk Slack channel for any setup issues.

Mentorship

Each intern is assigned a mentor from their team who will guide them through their first month, review their tasks weekly, and help set learning goals.

Leave Policy for Interns

Interns are entitled to 1 paid leave day per month, which does not carry over. Sick leave requires a message to your manager and HR before 10 AM on the day of absence.

Code of Conduct

All employees, including interns, must complete the mandatory Code of Conduct training within the first 5 working days. This covers workplace behavior, data confidentiality, and anti-harassment policies.

Internship Duration

Standard internship duration is 6 months, with a possible extension or full-time offer based on performance review at the 4-month mark.
